originally published in 1971 this book is an account of the development of the nigerian army in the critical ten years spanning independence it describes the transformation of a despised colonial defence force into a nigerian army with a popularly recognized reputation on the eve of the first military coup the army stood at the pinnacle of popular esteem it had been modernized and expanded had served with distinction in the congo and elsewhere and all its officers were nigerian the first half of the book traces the stages of this transformation and reveals the difficulties which had to be overcome the second part examines the increasing tension and political manoeuvring which exploded into the military

coups of 1966

an account of the nigerian military coups of 1966 in which the author discusses both the events themselves and their sociological background

this book offers a detailed examination of the counter insurgency operations undertaken by the nigerian military against boko haram between 2011 and 2017 based on extensive fieldwork conducted with military units in nigeria counter insurgency in nigeria has two main aims first it seeks to provide an understanding of the nigerian military s internal role a role that today as a result of internal threats pivots towards counter insurgency the book illustrates how organizational culture historical experience institutions and doctrine are critical to understanding the nigerian military and its attitudes and actions against the threat of civil disobedience today and in the past the second aim of the book is to examine the nigerian military campaign against boko haram insurgents specifically plans and operations between june 2011 and april 2017 within this second theme emphasis is placed on the idea of battlefield innovation and the reorganization within the nigerian military since 2013 as the nigerian army and air force recalibrated themselves for coin warfare a certain mystique has surrounded the technicalities of coin operations by the army against boko haram and this book aims to disperse that veil of secrecy furthermore the work s analysis of the air force s role in counter insurgency is unprecedented within the literature on military warfare in nigeria this book will be of great interest to students of military studies counter insurgency counter terrorism african politics and security studies in general

this book is a broad ranging argument for thorough reforms at home and abroad in nigeria as the only antidote to the nation building dilemmas nigeria confronts in the first quarter of the twenty first century because of its enormous material and human endowments nigeria is dubbed the giant of africa it is a moniker many of its leaders take seriously yet nigeria is a state rife with instability some of it periodically erupting into violence given still ongoing national security challenges in the land that notoriously includes a bloody religion oriented terrorism the fourth republic since 1999 the longest period of continuous democratic rule since independence key to the timeline of this book has not been insulated from the spell of instability the main argument of this work is that internationally agreed upon ethical standards embedded in human rights can save nigeria this book is a methodologically and theoretically grounded seminal discourse on nigerian foreign relations that spells out the human rights or lack thereof in those relations including underlying and impinging domestic forces this work is set around six issues of application embedded in a temple of nigeria s human rights foreign policy comprising two steps and four pillars reconstructed national interest increased human rights at home redesigned peacekeeping reshaped foreign policy machinery increased bilateralism in foreign relations and the use of ecowas as human rights tool although focused on the period since independence for proper understanding of events from the past that shape the current patterns of politics in the land this book also embodies a

historical background chapter that overviews the pre colonial and colonial eras

under the fourth republic since 1999 the challenge nigerian leaders face like never before is how to create a state that matches the expectations of their diverse peoples at home and abroad taking this proposition as starting point this book advances proposals for a human right policy referred to alternately in the work as principled foreign policy for nigeria under the fourth republic taking advantage of the inestimable opportunity afforded by general muhammadu buhari s departure from the political scene on may 29 2023 after the famine domestically and externally wrought by his two terms of office as president it is a broad ranging argument draped in the less arcane constitutional vocabulary and material of human rights for thoroughgoing reforms at home and abroad as the only antidote to the nation building dilemmas nigeria confronts in the first quarter of the twenty first century buhari s departure marks the end of military teleguidance of nigerian politics under the fourth republic in the camouflage of democratic rule a birthmark of remote control dating back to the first military intervention in the country in january 1966 these momentous events within nigeria coincide with equally epoch making developments in the uk nigeria s former colonial overlord with ripple effects in nigeria signified by the death of queen elizabeth ii after seven decades on the throne and the emergence of prince charles as king of england a new monarch in britain adds to the opportunity that falls open for the reconfiguration of nigeria s external relations with ramifications for the application of human rights in those relations despite its known disabilities nigeria has the potential infrastructure including its sizable population to conduct a human right policy if its leaders rationalize the country s resources more wisely

this book examines the role of multiethnic armies in post conflict reconstruction and demonstrates how they can promote peacebuilding efforts the author challenges the assumption that multiethnic composition leads to weakness of the military and shows how a multiethnic army is frequently the impetus for peacemaking in multiethnic societies three case studies nigeria lebanon and bosnia herzegovina determine that rather than external factors it is the internal structures that make or break the military institution in a socially challenging environment the book finds that where the political will is present the multiethnic military can become a symbol of reconciliation and coexistence furthermore it shows that the military as a professional identity can supersede ethnic considerations and thus facilitates cooperation within the armed forces despite a hostile post conflict setting in this the book challenges widespread theories about ethnic identities and puts professional identities on an equal footing with them the book will be of great interest to students of military studies ethnic conflict conflict studies and peacebuilding and ir in general florence gaub is a researcher and lecturer at the nato defence college in rome she holds a phd in international politics from humboldt university berlin
