as all of us know life has its ups and downs in many ways life truly is a rollercoaster a rollercoaster goes up comes down goes around curves enters the dark at times twists and in some cases goes backwards i think that using a rollercoaster is a great example that can describe life perfectly how is one able to navigate all the ups and downs twists and turns as well as the darkness that is experienced on occasions the key i believe is a faith in a living god this living god allows himself to be known through the person of jesus christ this devotional is slightly different than most devotionals the devotionals contained in this volume were written over a period of time and as the

current events were taking place as you will experience there are numerous events mentioned that were part of our lives some that may be distant to you and some that occurred daily that you may have been somewhat close since i am a sports junkie you will find several references in this devotional pertaining to sporting events that have taken place most of the sporting events refer to the teams in philadelphia each devotion is two pages in length and is written in a way to help you think about your relationship with god it is my prayer that after completing the reading of this devotional you will find yourself closer to god and understand who he is clearer

the conference will cover all aspects of theory and practice of metrology measurement technologies instrumentation and related applications

proceedings of spie present the original research papers presented at spie conferences and other high quality conferences in the broad ranging fields of optics and photonics these books provide prompt access to the latest innovations in research and technology in their respective fields proceedings of spie are among the most cited references in patent literature
