new york times bestseller the new yorker best books of 2022 financial times best books of 2022 the economist best books of 2022 the dramatic rise and unimaginable fall of america's most iconic corporation by new york times bestselling author and pre eminent financial journalist william d cohan no company embodied american ingenuity innovation and industrial power more spectacularly and more consistently than the general electric company ge once developed and manufactured many of the inventions we take for granted today nearly everything from the lightbulb to the jet engine ge also built a cult of financial and leadership success envied across the globe and became the world's most valuable and most admired company but even at the height of its prestige and influence cracks were forming in its formidable foundation in a masterful re appraisal of a company that once claimed to bring good things to life pre eminent financial

journalist william d cohan argues that the incredible story of ge's rise and fall is not only a paragon but also a prism through which we can better understand american capitalism beginning with its founding innovations and exponential growth through acquisitions and mergers cohan plumbs the depths of ge's storied management culture its pioneering doctrine of shareholder value and its seemingly hidden blind spots to reveal that ge wasn't immune from the hubris and avoidable mistakes suffered by many other corporations in power failure cohan punctures the myth of ge exploring in a rich narrative how a once great company wound up broken and in tatters a cautionary tale for the ages

this book provides a wealth of enactment techniques that help students apply their social physical and intellectual selves to the books they read to help improve their comprehension

the authors present a parallel integrated treatment program for children with sexually abusive behavior problems and their parents

using information derived from research and interviews with cab drivers vidich has written a basic work on new york city cab drivers hacks that also provides passengers fares with a survival manual cab drivers are quoted by newspaper columnists politicians and at dinner parties yet a hard look at the profession and its role in the transportation system of the city has been completely lacking vidich brings out in clear language the conflicts between the cab driver's position as a dispenser of a public service and his needs as a working person subjected to violence and pressure it is difficult to imagine a more enjoyable introduction to an industry whose members are a folk tradition at the same time this book provides insight into the history and sociology of an important urban institution it is a book about cab drivers everywhere and cab drivers and fares in all cities have a new handbook in this volume

living mindfully across the lifespan an intergenerational guide provides user friendly empirically supported information about and answers to some of the most frequently encountered questions and dilemmas of human living interactions and emotions with a mix of empirical data humor and personal insight each chapter introduces the reader to a significant topic or question including self worth anxiety depression relationships personal development loss and death along with exercises that clients and therapists can use in daily practice chapters feature personal stories and case studies interwoven throughout with the authors unique intergenerational perspectives compassionate engaging writing is balanced with a straightforward presentation of research data and practical strategies to help address issues via psychological behavioral contemplative and movement oriented exercises readers will learn how to look deeply at themselves and society and to apply what has been learned over decades of research and clinical experience to enrich their lives and the lives of others

exposure to violence adversely affects many children in american communities the support for students exposed to trauma sset program is a series of ten teacher or school counselor led lessons aimed at reducing distress for middle school students who have been exposed to a traumatic life event the program includes skill building techniques geared toward changing maladaptive thoughts and promoting positive behaviors

the hot seat is made from a series of drawings that focus on the impermanence of the physical things we perceive in our reality the destruction of these objects is motivated simultaneously by the primitive desire to see things destroyed the resentment of existence and our inability to control the effects of nature tim lahan is a graphic artist and illustrator based in the usa who splits his time between commercial work and personal projects that include everything from self publishing to painting his work has been featured collected in many different places in print online and in the physical world including places like printed matter the new york public library and the moma library publisher s website viewed may 14 2018
