

Commercial General Liability Coverage Exclusions Under

Commercial General Liability Coverage Exclusions Under Unveiling the Hidden Exclusions in Your Commercial General Liability Policy A Guide for Business Owners Youve got your commercial general liability CGL insurance policy and youre confident that youre covered right But what if there are hidden exclusions lurking within the fine print that could leave you vulnerable in a lawsuit Understanding the limitations of your CGL policy is crucial for protecting your business This article will shed light on common exclusions that businesses often overlook empowering you to make informed decisions about your coverage

The Foundation of Coverage What Does CGL Actually Cover Before diving into exclusions its essential to grasp what CGL insurance typically covers Generally a CGL policy safeguards your business from financial losses arising from Bodily injury Injuries to individuals caused by your business operations or products Property damage Damage to property caused by your business operations or products Advertising injury Harm to another partys reputation due to false or misleading advertising Personal and advertising injury This covers a broader range of potential claims including libel slander and invasion of privacy

Unveiling the Exclusions Common Traps for Business Owners Now lets talk about the butts and excepts the hidden exclusions that could impact your coverage

- 1 Exclusions for Intentional Acts Your CGL policy generally wont cover claims arising from intentional acts by you or your employees This means if you deliberately cause harm to someone or their property you wont be covered
- 2 Exclusions for Certain Products and Services Many policies contain exclusions for specific types of products or services For instance if your business is involved in the manufacture or sale of certain hazardous materials you may 2 find your CGL coverage limited or excluded altogether
- 3 Exclusions for Workers Compensation Claims If an employee is injured on the job youll likely have a separate workers compensation policy Your CGL policy usually wont cover these types of claims
- 4 Exclusions for Environmental Damage Environmental pollution or damage caused by your business operations may not be covered by your standard CGL policy This often requires specialized environmental insurance
- 5 Exclusions for Contractual Liability Your CGL policy may not cover liabilities arising from contracts youve signed Its essential to review contracts carefully and consider additional insurance coverage if needed
- 6 Exclusions for Professional Services Businesses offering professional services such as accounting or legal advice may require a separate professional liability policy as your CGL policy might not cover claims related to errors or omissions in these services
- 7 Exclusions for Specific Activities Your CGL policy might exclude coverage for specific

activities like Construction If your business is involved in construction you'll likely need specialized insurance Transportation If your business involves transporting goods or people specialized insurance may be required Real estate If you are a landlord you may need separate liability insurance for your property

8 Exclusions for Prior Acts Your policy typically won't cover claims arising from incidents that occurred before the policy's effective date This highlights the importance of maintaining continuous insurance coverage

9 Exclusions for Claims Related to Certain Business Practices Certain business practices such as discrimination or harassment may not be covered by your CGL policy

10 Exclusions for Claims by Employees In most cases your CGL policy won't cover claims by your own employees for injuries or damages related to their employment

The Power of Understanding Protecting Your Business By understanding the exclusions in your CGL policy you can proactively address potential gaps in coverage Here are some practical tips

Read your policy carefully Don't just skim the document Take the time to thoroughly review the entire policy paying close attention to the exclusions section

Ask questions If you're unsure about anything don't hesitate to contact your insurance agent or broker for clarification

Consider additional coverage Depending on your specific business operations and risks you may need to purchase additional coverage through endorsements or separate policies

Review your policy regularly Your business needs can change over time so it's essential to review your policy periodically to ensure it still adequately protects you

Conclusion Your commercial general liability policy is a vital safety net for your business but it's essential to understand its limitations By carefully reviewing your policy identifying potential exclusions and discussing your coverage needs with your insurance professional you can ensure that you have the protection you need to weather any storm

FAQs

1 What happens if I have a claim that is excluded from my CGL policy? Unfortunately you'll be responsible for covering the claim out of pocket It's essential to have a comprehensive understanding of your coverage and identify any potential gaps before a claim arises

2 Can I add coverage back to my CGL policy for exclusions I'm concerned about? In many cases yes You can add coverage back through endorsements which are additions to your policy that expand your coverage Consult with your insurance agent or broker about available endorsements

3 How often should I review my CGL policy? It's a good practice to review your policy at least annually or more frequently if your business operations change significantly

4 What are some other types of insurance that businesses might need besides CGL? Other common types of insurance for businesses include workers compensation property insurance product liability and professional liability insurance

5 What are some resources to help me learn more about commercial general liability insurance? Your insurance agent or broker is a valuable resource You can also consult with industry associations or insurance information websites

this is the third revised edition of what was described by the english court of appeal in *c v d* as the standard work on bermuda form excess insurance policies the form first used in the 1980s covers liabilities for catastrophes such as serious explosions or mass tort litigation and is now widely used by insurance companies it is unusual in that it includes a clause requiring disputes to be arbitrated under english procedural rules in london but subject to new york substantive law this calls for a rare mix of knowledge and experience on the part of the lawyers involved each of whom is required to confront the many differences

between english and us law and legal culture in addition since the awards of arbitrators are confidential and are not subject to the scrutiny of the courts the book helps professionals understand the form s lengthy and complex provisions the book first published in 2004 was the first comprehensive analysis of the bermuda form it is frequently cited in bermuda form arbitrations and was the joint winner in 2012 of british insurance law association book prize for the most notable contribution to literature in the field of law as it affects insurance it offers a detailed commentary on how the form is to be construed its coverage the substantive law to be applied the limits of liability exceptions and of course the procedures to be followed during arbitration proceedings in london the book will prove invaluable to lawyers risk managers and executives of companies which purchase insurance on the bermuda form and to clients lawyers or arbitrators involved in disputes arising therefrom this title is included in bloomsbury professional s international arbitration online service

shareholder litigation and class action suits play a key role in protecting investors and regulating big businesses but directors and officers liability insurance shields corporations and their managers from the financial consequences of many illegal acts as evidenced by the recent enron scandal and many of last year s corporate financial meltdowns ensuring corporate misconduct demonstrates for the first time how corporations use insurance to avoid responsibility for corporate misconduct dangerously undermining the impact of securities laws as tom baker and sean j griffith demonstrate this need not be the case opening up the formerly closed world of corporate insurance the authors interviewed people from every part of the industry in order to show the different instances where insurance companies could step in and play a constructive role in strengthening corporate governance yet currently do not ensuring corporate misconduct concludes with a set of readily implementable reforms that could significantly rehabilitate the system
